Ontario Agricultural College.
Name changed in 1880 from Ontario School of Agriculture to Ontario Agricultural College (variant name: Ontario Agricultural College and Experimental Farm). This body, the Ontario Veterinary College and the Macdonald Institute were administrated and financed by the Ontario Dept. of Agriculture. All three were affiliated with the University of Toronto to provide for the conferring of degrees. In 1962 these institutions were brought together as autonomous elements of the Guelph Federated Colleges. On May 8, 1964 the University of Guelph was established and the federated colleges became components of the new university. The Ontario Dept. of Agriculture continued to administer the founding colleges until Aug. 31, 1965. On Sept. 1, 1965 all operations came under the Board of Governors of the new university.
